MAHDI RAHMAN

SOFTWARE DEVELOPER

rahmanmahdi15@gmail.com | 07518 954848 | github.com/Mahdirah0 | mahdirah0.netlify.app

SUMMARY

Passionate software developer skilled in JavaScript, Python, React, and TypeScript. Strong problem solving abilities and eager to turn ideas into functional applications. Committed to continuous learning and collaborative teamwork. Excited to make a meaningful impact in software development.

SKILLS

React • Redux • Javascript • Typescript • Node • HTML5 • CSS3 • Express • React Native • Tailwind • Next.js • Python • PostgreSQL • Mongodb • REST • GraphQL • Prisma • Git

EXPERIENCE

Time Sushi Rebrand - Freelancer (https://www.timesushi.co.uk/)
Sept 2023 - Oct 2023
- Re-developed the website using Nextjs
- Integrated api calls using Tenstack Query
- Helped backend developer with stripe integration
- Converted Figma design into a interactive website

Time Sushi - Freelancer
June 2023 - Aug 2023
- Designed user interfaces using React and NextJS
- Collaborated with the backend developer to implement APIs
- Wrote unit tests using the react-testing library
- Worked closely with the client to ensure deliverables

JP Morgan Chance & CO - Virtual Work Experience
Dec 2021 - Dec 2021
- Automated tasks using Python programming language
- Integrated real-time stock price data feed for analysis
- Utilized JPMorgan Chase frameworks and tools
- Utilized raw data to create impactful visualizations, enhancing data-driven decision-making processes

PROJECTS

Movie App (github.com/Mahdirah0/movie-app)
- Developed a movie catalog app with movieDB API integration, implementing React for a user-friendly interface and responsive design
- Utilized Typescript to enhance code reliability, resulting in a robust and dependable application

A* Pathfinding Visualizer (github.com/Mahdirah0/pathfinding)
- Developed A* algorithm visualizer with React for an intuitive user interface
- Incorporated Typescript to ensure code reliability and reduce bugs
- Displayed shortest path between two nodes

EDUCATION

Mulberry UTC - London
Sept 2021 - June 2023
A-Level: Mathematics - **Grade:** B

Mulberry UTC - London
Sept 2021 - June 2023
Cambridge Technicals: Digital Media - **Grade:** A*, A
